

How to update Membership Order Preference (Mobile)

This will update the order in which your memberships show on the Accounts tab.

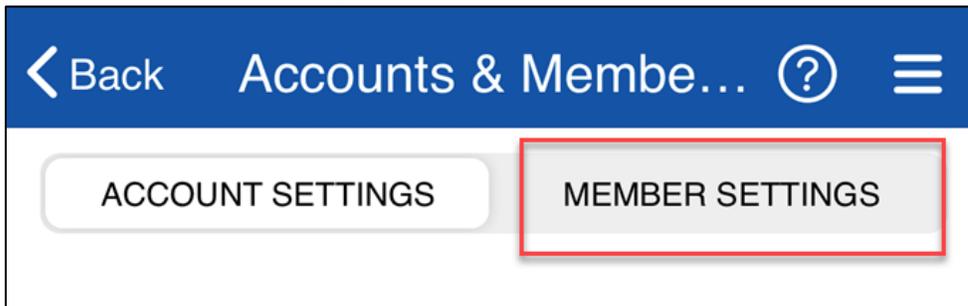

- Tap on the hamburger menu

- Tap on Accounts and Memberships

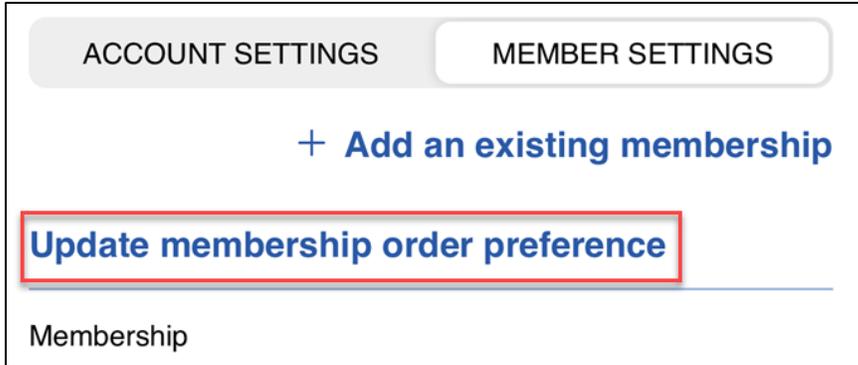

- Tap on Member Settings

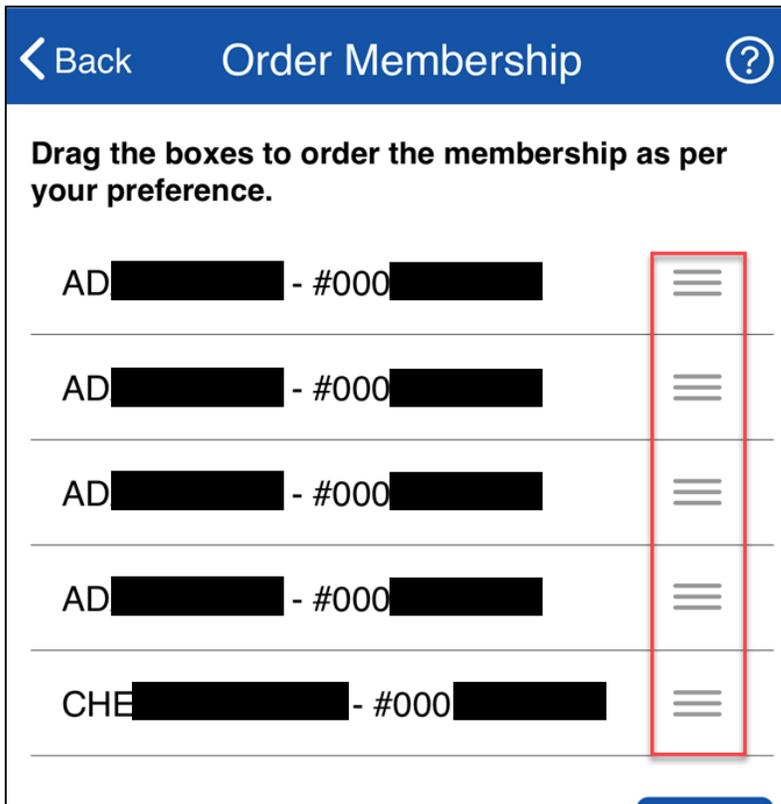

- Then tap on **Update membership order preference**

- Now, you will see a list of your memberships and you can drag and drop them into the order you prefer them to show on your Accounts tabs.

- When you are done organizing the memberships, tap **Save**

A screenshot of a mobile application interface. It shows a list of items, each with a label and a menu icon. The first item is partially visible with the label "AL" and "#000". The second item is labeled "CH" and "#000". Below the list, there is a blue button with the word "Save" in white text, which is highlighted with a red rectangular border.
